Transport Commissionerate  
Kerala, Thiruvananthapuram  
Date: 23.03.2005.

**CIRCULAR 06/2005**

Of late, there is a growing tendency among the Regional Transport Officers and Deputy Transport Commissioners that they are insisting report of their subordinate officers even in the cases of enquiries personally entrusted upon them and simply forwarding the report furnished by the Subordinates to this Office.

This practice should not be allowed to continue because reports were sent to Government on the strength of theses reports, which should therefore be a more authenticated one.

As such all Regional Transport Officers and Deputy Transport Commissioners are directed to conduct personal enquiries and furnish their own report in respect of all those cases henceforth.

Any laxity will be viewed seriously.

For Transport Commissioner.
