Sir,

2. Government letter No: 25220/M1/92/PW&T dated

.....
Your attention is invited to the reference 1st cited.
The matter has been examined in detail with the Government and
the following observations are made.

As per section 146(2) of Motor Vehicle Act, necessity
for insurance against third party risk does not apply to any
vehicles owned by Central Government or State Government and
used for Government purposes in^{connected} with any commercial
enterprises. Central Motor Vehicles Rules, 143(1) States that
Form 53 signed by a person authorised on this behalf is enough
for those vehicles mentioned in Section 146(2) of C.M.V. Act.

In the above circumstances Form '53' signed by a person
on this behalf is only needed for accepting road tax owned by
the Government of India, provided the vehicle owned by the Govt
of India is unconnected with any commercial enterprises.

Yours faithfully,
Sd/-
