From

The Transport Commissioner

Sir,

Sub:- Motor Vehicles Department- Specification of name of village
while initiating Revenue Recovery Proceedings -direction
Issued - reg

Ref:- Decision taken in the State level conference of Regional
Transport Officers held on 13.05.2010.

It is noticed that prompt recovery of tax arrears as contemplate under section 13 of KMV Act 1970 cannot be carried out since the village in which the owner/ possessor of the motor vehicle resides is not specified in the revenue recovery requisition form. In the conference held on 13.05.2010, certain Regional Transport Officers have informed that revenue authorities have instructed to specify the name of the village in which the registered owner or possessor of the vehicle resides, in the revenue recovery requisition form.

Hence all Regional Transport Officers and Joint Regional Transport Officers are hereby directed to include the name of the village in which the registered owner or possessor of the vehicle resides, in the Revenue Recovery requisition form, even though it is not specified in the certificate of registration.

Yours faithfully
