Sir,

Sub: Motor Vehicles Department-Allotment of registration number to the
vehicles owned by Government departments-Directions issued-reg

Ref: 1. G.O.(P).No.03/2011/Tran dated 25-01-11 published as

S.R.O.No.77/2011

2. Circular No.06/2011

Your attention is invited to the above references. As per Sub-Rule 10 of Rule 95 of the Kerala Motor Vehicles Rules, 1989, where there is no applicant for a notified registration mark or a notified registration mark remains unallotted, even after all the registration marks in the series are exhausted, such registration marks may be assigned to none other than the vehicles owned by the Government or Local bodies based on the order of receipt of application thereof. But it has come to notice that certain Registering Authorities are issuing those registration numbers which are lapsed or stand unallotted prior to 01-03-2011 to the Government owned vehicles. Since the above said amended rule came into force only from 01-03-2011, the numbers which stand unallotted or lapsed on or after 01-03-2011 shall be allotted to the vehicles owned by the Government departments or Local bodies. If any unallotted or lapsed number is not available at the time to registration of Government vehicles, number shall be allotted to these vehicles by adopting the normal procedure. This is for urgent necessary action.

Yours faithfully
