Sir,

Sub: Motor Vehicles Department-Rampant illegal movement of over-dimensional transport vehicles/trucks/trailers in contravention of Rule 93 of the Central Motor Vehicles Rules, 1989 & Overall Dimensions of Motor Vehicles (Prescription of Conditions for Exemption) Rules, 1991-Reg

Ref: Letter dated 11-04-2011 from Indian Foundation of Transport Research and Training

Your attention is invited to the above reference. Vide reference cited, Indian Foundation of Transport Research and Training points out that there is rampant movement of over-dimensional bodied trucks and trailers across the country in contravention of the Central Motor Vehicles Rules. Such operations are serious road safety hazard and cause impediments on smooth flow of traffic on roads and highways. Hence you are directed to stringently stop the illegal movement of those over-dimensional trucks and trailers which do not conform Rule 93 of the Central Motor Vehicles Rules, 1989 & Overall Dimensions of Motor Vehicles (Prescription of Conditions for Exemption) Rules, 1991.

Yours faithfully
