I invite your attention to the reference cited. Regarding the issue of Laminated licence in Form 7, on surrender of driving licence in Form 6, Government have clarified that as per M.V. Act and Rules driving licence either in Form 6 or Form 7 can be issued only in the following cases Viz..

- (1) When a person applies for a driving licence at the first time.
- (2) When a person applies for renewal of the existing licence.
- (3) When a person applies for a duplicate licence.

It is also stated that laminated driving in Form 7 cannot be issued to any person on surrender of the existing licence. An existing licence cannot be replaced by a new one. The laminated driving licence shall be issued only in any one of the three cases mentioned above. The prescribed fees for issuance of licence/renewal of licence/duplicate licence (applicable in the case of issuance of laminated driving licence) as the case may be, shall alone be realised.
