Sir

Sub- Mvs Dept- Verification of Motor Driving Licenses- Instructions  
issued- Reg.

Ref- This office letter of even No. dated 25/6/2009.

It has been detected that a large number Motor driving Licenses are unauthorisedly issued from various offices especially by Sri. S. Asokan, Joint RTO,(Rtd) during his tenure at Sub Regional Transport Office, Pefumbavoor. It has come to the notice that large number of such fraud licenses are issued as fresh, by way of renewal, change of address etc without conducting the driving test, not endorsing on the history sheet and also from the outside office. The following procedure may strictly be adhered to verify the genuiness of all licenses at the time of rendering any service in future.

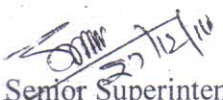

The Licencing Authority can verify the genuiness of the card form licences provided with barcodes which can be read with barcode readers available with Smart move. Care must be taken to ascertain whether the licence holder had obtained leaners license, if not the licence is fake. To verify whether the holder had appeared for the driving test the ground register can be verified in which the name and signature of candidate and the result of the test are provided.

Receipt of the letter may be acknowledged.
