

G4/13499/TC/2008.

Transport Commissionerate,  
Kerala, Thiruvananthapuram,  
Dated: 12.01.2009

From

The Transport Commissioner,  
Thiruvananthapuram.

To

All Deputy Transport commissioners  
All Regional Transport Officers  
All Joint Transport Officers in Sub RT Offices

Sir

Sub: Motor Vehicles Department - <sup>Fitting</sup> Fitted of Halogen Bulbs having  
dazzling effect - Instructions issuing of - reg.

Ref: An anonymous complaint dated Nil.

Based on the complaint that vehicles fitted with halogen bulbs emitting bluish white beams with dazzling effect are plying on our roads, checking has been conducted and is ascertained that the complaint is genuine. At the time of Checking the drivers stated that these bulbs were supplied and fitted by the dealers and that they do not know anything about it. Hence you are requested to give necessary directions to the vehicle dealers not to fit halogen bulbs with P 45 i cap and the wattage of Halogen bulbs shall not exceed 70/75 watts for 24 Volts and 60/65 for 12 Volts systems.

Yours faithfully.

Sd/-

Additional Transport commissioner

Approved for issue,

*Sd/-*  
Senior Superintendent.

*Send letter to all dealers  
in our jurisdiction*
