Sub Rule 7 of Rule 115 of the Central Motor Vehicles
Rule 1989, stipulates that all Motor Vehicles, older than
one year from the date of registration shall carry a valid
'Pollution under Control Certificate (PUCC) issued by an
agency authorised for this purpose by the State Government.

Our Department has decided to take stringent action
against the violation of the above rule. Many vehicles
owned by the Transport Department are not complying with
this provision. All the vehicles belonging to our
department should be tested for Pollution Under Control
and to ensure that the PUC Certificate in original is
available in the vehicle all the time. We will be enfor-
cing the law stringently from 1st January, 2000. It is
also instructed that the driver of the vehicle will be
responsible for obtaining and keeping custody of PUC
