

CIRCULAR NO. 17/04

Sub:- M.Vs. - Emission Testing Stations - proper functioning -
reinstallation of equipments of cancelled stations -
directions issued of -

Ref:- 1. G.O.MS No.82/93/PW&T and guidelines for setting up
testing station.
2. Order No.C2.2555/03/D dt. 9-1-2004 of R.T.O., Kozhikode.
3. This office letter No.MIT3/132/04 dt. 30-1-2004.

Government have issued guidelines as per 1st cited for
the setting up of Pollution Testing Stations in Kerala and also
ordered to issue computerised P.U.C.Cs. from the Pollution Testing
stations by incorporating the photograph of the vehicle being
tested. Directions were also issued to take action against the
testing centres who are violating the guidelines already issued
and also to ensure proper functioning of the pollution Testing
station.

An instance is brought to the notice wherein the R.T.O
Kozhikode cancelled the licence issued to one testing centre for
violation of guidelines, but the licensee is reported to be
trying to obtain fresh licence in some others name using the same
testing premises and the same machines.

It is needless to point out that such grant of licence
in another name but with facilities and equipments of the delin-
quent licence holder will defeat the purpose of action taken
against the delinquent.

In this context, all R.T.Os are directed not to issue
licences for pollution Testing Centres with the equipments of
the cancelled testing stations and also in the same premises.
In case an applicant installs second hand equipment it shall be
ensured that the equipments are not used by a delinquent licence
holders.
