Dated., 23.08.2012

From

The Transport Commissioner,
Thiruvananthapuram.

To

All Deputy Transport Commissioners
All Regional Transport Officers
All Joint Regional Transport Officers

Sir,

Sub:- Motor Vehicles Department – Request for the prevention of
operation of vehicles with altered body dimensions – Direction
issuing of – reg.

Ref:- Government letter No.11659/B2/2012/Tran dated 03.08.2012 along
with representation dated 25.07.2012 from the All India
Confederation of Goods Vehicles Owners Associations.

Attention is invited to the above reference. Vide reference cited All India Confederation of Goods Vehicles Owners Association points out that the Central Government have issued exemption for the length, breadth and height of some special class of vehicles from existing provisions, But in many States, vehicles which are not exempted from the provisions and having excess length, width and height are got registered under the disguise that they have got exemption from the Central Government. It may be noted that such unauthorized alterations are dangerous not only for human beings but also to roads, bridges etc. Hence you are requested to take every possible step to prevent the operation of vehicles having unauthorized excess body dimensions.

Yours faithfully,
Sd/-

Joint Transport Commissioner
