All Deputy Transport Commissioners
All Regional Transport Officers
All Joint Regional Transport Officers

Sir,

Sub: Motor Vehicles Department-Sealing of speed governors-Further direction
issuing of-Reg

Ref: Earlier directions issued in this regard

Attention is invited to the above subject. All Regional Transport Officers and Joint Regional Transport Officers are directed to issue a Certificate of Sealing of Speed Governors at the time of sealing by the department, as provided under Rule 118 (1) of the Central Motor Vehicles Rules, 1989 in the format already specified by this office and the same shall be kept in the vehicle or shall be exhibited inside the vehicle in a conspicuous place.

It is found that such an exhibition is necessary for the effective and speedy verification of speed governor sealing by the department while checking. Otherwise there is possibility of delaying the passengers and service of the vehicle which have already sealed, as the number of such vehicles will be large in number in due course. Keeping merely a register alone in the office will not be sufficient for this purpose. The certificate shall bear the seal and signature of the inspecting officers.

The receipt may be acknowledged.

Yours faithfully

Transport Commissioner
