Sir,

Sub: Motor Vehicles Department-Manipulation in speedometer-Direction
issuing of-Reg

Ref: Earlier directions in this regard

Attention is invited to the above subject. There is information that some drivers are manipulating speedo meter in such a way to show less speed. This will help them to hide the manipulation/tampering made in speed governor. If any such case is found CFX should be issued to the concerned. The receipt of the instruction may be acknowledged.

Yours faithfully
