Transport Commissionerate,
Kerala, Thiruvananthapuram
Dated : 15.03..2010

From

The Transport Commissioner,
Thiruvananthapuram

To

All Deputy Transport Commissioners
All Regional Transport Officers
All Joint Regional Transport Officers of Sub Regional Transport Offices
and Motor Vehicles Inspectors of Checkposts

Sir,

Sub:-M.Vs.Dept.-Economy in consumption of Electricity-
instructions issued - Reg

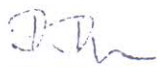

It has come to notice that in many offices of Motor Vehicles Department, the KSEB has issued additional Electricity bill on the plea that those offices are consuming more energy disproportionate to the connected load. The KSEB is demanding electricity charges as well as penal charges for the consumption in excess of connected load. Further Motor vehicles Department is now placed in higher tariff slab which results huge electricity bills. Therefore, all heads of offices are hereby directed to strictly follow economy of electricity consumption and ensure that the power consumption has not been exceeded beyond the connected load. Head of Office should personally ensure that all electrical appliances in the office are switched off during out of office hours.

The receipt of this letter to be acknowledged.

Yours faithfully,
Sd/-
