Your personal attention is invited to the above references. Vide reference 1st cited, the Central Government have raised their concern about the implementation of Carriage by Road Act, 2007 though the Act came into effect from 01-03-2011. In connection with implementation of Carriage by Road Act and Rules, all Regional Transport Officers are directed to collect the details of common carriers in their jurisdiction and instruct them to get registered under the Act without wasting any time.

All Deputy Transport Commissioners and Regional Transport Officers are directed to conduct a special drive in this connection. They are also requested to impose a token fine of ₹ 500/- only in accordance with Section 18(1) of the Carriage by Road Act, 2007.

It may be noted that it is your responsibility to make sure that all the common carriers under your jurisdiction have obtained registration under the Act.

In addition to the above all Regional Transport Officers are directed to furnish Action Taken Report every fortnightly to the Deputy Transport Commissioner concerned. The report shall also include the number of common carriers who took registration under the Act and their details.

All Deputy Transport Commissioners are directed to forward consolidated Action Taken Report every fortnightly to this office.
