CIRCULAR NO.25/98

Sub:- Taxation - acceptance of tax without production of registration certificate - instructions issued.

...

According to Rule 4 of the K.M.V.T.Rules, production of Registration Certificate and Insurance Certificate is mandatory at the time of payment of tax. Therefore, ordinarily tax should not be accepted without production of these documents.

However, when a person is not able to produce the Registration Certificate due to reasons beyond his control (such as irrecoverable loss of RC) tax may be accepted without production of Registration Certificate provided the applicant submits a written request along with documentary evidence to satisfy C.M.V. Rules 53 and the Circulars thereunder. In such cases production of Insurance Certificate and proof for last payment of tax will however be compulsory.
