

C1/26016/TC/2014

Transport Commissionerate, Keralam
Trans Towers, Thiruvananthapuram
Dated: 18-02-2015

From
The Transport Commissioner

To
All Deputy Transport Commissioners
All Regional Transport Officers
All Joint Regional Transport Officers

Sir,

Sub: Motor Vehicles Department-Approval of scrolling LED Board inside
autorickshaws-Reg

Ref: Representation dated 08-12-2014 received from Sri.K.Radhakrishnan,
Padmanabha Global Impex, Thiruvananthapuram

Attention is invited to the above reference. Vide reference cited, the petitioner has requested to issue sanction to install Scrolling LED Board in autorickshaws. According to him, the board will be fitted in front top of the back seat of autorickshaws. He claims that the LED Board will not be of any distraction to the auto driver as the messaged would be read only by passengers seated.

As per the photographs produced by the petitioner, this system is meant only for the silent display of messages. Since the position of the board is just behind the driver, it will not distract the attention of the driver. Hence you are directed to consider the application of installation of Scrolling LED board in autorickshaws as and when the application is received. Total area shall be calculated according to the area occupied by alphabets scrolled and fee shall be collected as per Rule 191 of the Kerala Motor Vehicles Rules, 1989.

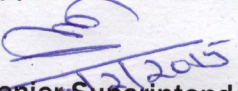

Yours faithfully
