Sir,

Sub:- Motor Vehicles Department – **Manipulation of Speed Governor** –
Direction issuing of – Reg.

Ref:- Petition dated 16-03-2012 from Adv. P. P. Radhakrishnan.

Attention is invited to the above reference. Vide reference cited, Adv. P. P. Radhakrishnan points out that even though order had already been issued to fit Speed Gover in all stage carriages and heavy Transport vehicles, the owners are successfully in manipulating the device to suit their need. He also points out that all vehicles fitted with Speed Governor are plying with over speed killing thousand of pedestrians. It may be noted that many complaints regarding tampering of Speed Governor are being received in this office. Even though many directions in this regard had already been issued complaints received in this office show that directions issued in this regard are not strictly adhered to. Hence you are once again directed to ensure that while issuing Certificate of Fitness, during registration and checking of vehicles, Speed Governors fitted in vehicles are neither tampered nor manipulated.

Yours faithfully,
