Sir,

Sub:- Motor Vehicles Department - Composite tax on National Permit Goods
Carriages – Collection of difference of tax – Reg:

- Ref:- 1. G.O. (P) No. 37/2006/Tran dated 17-07-2006 of Transport (B)
Department.
2. This Office letter even number dated 22-05-2008.

The Government of Kerala as per reference 1st cited enhanced the composite tax of National Permit Goods Carriages from Rs. 3,000/- to Rs.. 5,000/- In the case of multi axled vehicle 25% reduction is also allowed. This has been intimated to all State Transport Authorities and requested to collect composite tax at the enhanced rate. But some Regional Transport Officers of other States failed to collect the composite tax at enhanced rate from 17-07-2006. Accountant General, Kerala has pointed out 1955 cases relating to multi axled vehicles and 3125 cases relating to double axled vehicles. As per the reference 2nd cited, all Motor Vehicles Inspectors of border Check Posts were directed to verify the documents of other State Goods Carriages and collect the balance tax if it is not paid and a list was also forwarded to you. But so far not even a single case of collection of balance tax has been reported from the Check Posts. I therefore request you to take personal attention in the matter and forward your reply in the matter without fail.

Yours faithfully,
Sd/-
