Transport Commissionerate, Kerala,

Dated: 08.03.2010.

From

The Transport Commissioner,
Thiruvananthapuram.

To

All Regional Transport Officers.

Sir;

Sub:- Motor Vehicles-Department.- Safety measures in private buses – reg.

Ref:- Petition dated 01/02/10 from Sri.K.U.Nair, Ottappalam, Palakkad,
Kerala.

Your attention is invited to the above subject. Vide reference cited Sri.K.U.Nair had pointed certain violations committed by private stage carriages.

Sri.K.U.Nair points out that in private buses, doors are not seen closed. In these vehicles either the doors are removed or kept opened permanently by tying somewhere. Another complaint is that the horn used in these private buses is constant nuisance to the public, over speeding, unwanted competition among other buses while conducting service, and bad behaviour of the crews to the public are some other complaints pointed out by him. It may be noted that all these activities are clear violation of existing provisions/orders issued from this office. Hence you are directed to take strict actions against infringements.

Yours faithfully,
