Sir,

Sub : - Motor Vehicles Dept – Annual Plan Schemes – 2009--2010 – Setting up
of Driver Testing Yard – identification of land - reg.

Ref : - Budget Outlay for the year 2009-2010.

With reference to the above, the Motor Vehicles Department has decided to set up Computerised Driver Testing Yards at least in all District Head Quarters at the earliest. The Department proposes to procure a minimum of 2 Acres of land for each of the 17 Regional Transport Offices. As a first step, Motor Vehicles Department action has already been taken to launch one such track at Chevayur, Kozhikode in the land owned by the Motor Vehicles Department as a pilot project in the last financial year 2008-2009. This year an amount of Rs. 42 lakhs has been provided in the budget. But to implement the project, the land has to be identified at the earliest for the Motor Vehicles Department.

Therefore, the Regional Transport Officers are directed to appoint a nodal officer for identifying and getting the land assigned to the department who will be responsible for necessary follow up action at each office including this office and Secretariat.

Yours faithfully
