Sir,

Sub: Motor Vehicles Department-Colour of autorickshaws plying in Kerala-
Implementation of Rule 295 of the Kerala Motor Vehicles Rules, 1989-
Reg

Ref: Nil

Your attention is invited to the above subject. As per Rule 295(a) of the Kerala Motor Vehicles Rules, 1989, colour of the hood of all autorickshaws shall be painted in cream yellow and rest of the body in black. The said rule was formulated by considering the fact that yellow is more visible to other road users as compared to black. As road safety is one of the major concerns, it is high time that this rule should be implemented more strictly. Hence you are requested to deliver autorickshaws having yellow hood to Kerala region for the better of implementation of Rule 295(a) of the Kerala Motor Vehicles Rules, 1989.

Yours faithfully
