

No.C1/8989/TC/2011

Transport Commissionerate
Kerala, Thiruvananthapuram
Date: 11-05-2011

From

The Transport Commissioner.

To

All Regional Transport Officers/
All Joint Regional Transport Officers
of Sub Regional Transport Offices.

Sir,

In vehicles which are registered with push back seats there could be removal of the push back seat and fixing of fixed seats to evade tax. Therefore, a list of vehicles which are registered with push back seats will be taken and they will be recalled/verified on the field and ascertain whether they are having push back seats or converted to fixed seats (increasing the total number of seats i.e. 12+D push back converted to 19+D or 25+D). If it is found that they have converted, registration of such vehicles should be cancelled as per rules and demand notice for increased seats, tax also should be collected.

Take special drive in this.

Yours faithfully,

Transport Commissioner.

Copy to all Deputy Transport Commissioners/
CAs to TC, Secretary, STA, Sr. DTC (Tax)/LO/AO/FO/ATC.
