within 7 days

Transport Commissionerate, Keralam
Trans Towers, Thiruvananthapuram
Dated: 19-05-2011

From

The Transport Commissioner

To

All Deputy Transport Commissioners

Sir,

Sub: Motor Vehicles Department-Evasion of tax by removing push back seats-
Report called for -reg

- Ref: 1. This office letter of even number dated 11-05-2011
2. News appeared in Metro Manorama dated 12-05-2011

Your personal attention is invited to the references. There is a tendency to register Contract Carriages with push back seats and later the seats will be replaced by ordinary seats with the intention of evading tax. Needless to say that this practice will ultimately result in loss of revenue to Government. In view of the news appeared in Metro Manorama you are directed to launch a special drive to detect such cases and forward a report within fifteen days positively.

Yours faithfully
