Circular No.8/2008

Sub:- M.Vs.Dept. - Disparity in collecting fee for conductor's licence in various offices - instruction issued - reg -

It has been brought to the notice that different rates of fee are being collected for different offices of this Department for the issue of Conductor's Licence and also for issuing authorization to drive transport vehicle. In order to bring about uniformity, the following clarifications are issued.

As per sub section 5 of section 30 of Motor Vehicles Act, the fee for a conductor's licence and for each renewal thereof shall be one half of that for a Driving Licence. No specific fee has been prescribed for issue of Conductor's Licence in card form. Therefore half of the fee for issue of Driving Licence in card form, that is Rs.100/- has to be collected for issue of Conductor's Licence in card form.

Rule 57 of KMV Rules 1989 also envisages that the fee payable by the applicant for the oral test is Rs.50/- for each test. As per the Rule 60(3) the fee payable for the issue of a badge shall be Rs.50/-. Therefore the total fee for issue of conductors licence in card form is Rs.200/- (Rs.100+50+50).

It is also informed that separate fee of Rs.50/- need not be realized for oral test for issuing authorization to drive a transport vehicle if the applicant undergoes the same along with the test of competence to drive.

All officers are hereby directed to comply the above directions in future. Please acknowledge receipt of the circular.
