Sir,
Sub: - MVs Dept- Estt- Transfer and Posting- reg

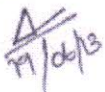

It has come to the notice of the office that the officials who have been transferred from their present station either by their own requests or under public interest are continuing in their station indefinitely, which is against the spirit of the transfer norms in addition to create unnecessary disturbance in their transferred station. All controlling officers are, therefore instructed to ensure that all officials, who have been transferred from their present station, are relieved of their duties by properly handing over of their charges held by them immediately except the cases where orders/instructions for such continuance of officials have been issued by the competent authority and report compliance by return.
