Sir,

Sub: Motor Vehicles Department-Unauthorized use of red/ blue/
multicoloured beacon light on top of the vehicles of high dignitaries-
Instructions issuing of-Reg

Ref: This office letter number No.C1/23098/TC/2009 dated 22-01-2013

Attention is invited to the above reference. It has again come to the notice that inspite of strict direction from this end, beacon lights are being used without authorization in many vehicles. It may be noted that using of beacon light unauthorisedly is a clear violation of existing rules. Vide reference cited, you were directed to send charge memo to the offenders/registered owners directing to remove the beacon light. You were also directed that if the beacon light is not removed after issuing the charge memo, action should be taken to suspend / cancel the registration of the vehicle. The Hon'ble Supreme Court directed to limit the use of beacon light. In spite of clear cut direction, you are reluctant to comply the orders. This cannot be tolerated more. Hence you are directed to take strict action against the offenders who use beacon light on vehicles without authorization. All Regional Transport Officers are also directed to arrange a special drive in this subject for one week from 05-07-2013 onwards and forward the details of the checking by 15-07-2013 without fail. It may be noted that any further laxity in complying the direction will be viewed seriously.

Yours faithfully
