GOVERNMENT OF KERALA

Abstract

Transport Department-Evaluating the project report on Implementation of Ambulance Networking and Co-ordination System - Committee constituted - Orders Issued.

TRANSPORT (B) DEPARTMENT

G.O.(Rt)No.507/2022/TRANS   Dated,Thiruvananthapuram, 27-11-2022

Read Proposal regarding the Implementation of Ambulance Networking and Co-ordination System, Submitted by Motor Vehicles Department

ORDER

Government are planning to make Kerala, the first State in India with an effective community based Pre-Hospital Emergency Medical care system. Providing professional Pre-hospital emergency medical care immediately at the mishap site and ensuring proper transport of the victims to the nearest medical facility in the 'Golden Hour' can save lives and reduce the irreparable damage to the health of the victim. Government have decided that ambulances plying in state need to have a unified structure of Operational Procedure. As per the proposal read above, the Motor Vehicles Department has submitted a project report on the Implementation of Ambulance Networking and Co-ordination System in the State.

In this circumstances, Government are pleased to constitute a committee to study the project report on the Implementation of Ambulance Networking and Co-ordination System in the State, with the following members:-

1. Sri. S. Sreejith,IPS Transport Commissioner
2. Dr. S. Karthikeyan, State Mission Director, NHM
3. Dr. Nandakumar K.V.. Director of Health Services (i/c)
4. Dr. Thomas Mathew, Director of Medical Education
5. Dr. Shibulal A., GM, Kerala Medical Services Corporation
6. Dr. Sulphi N., State President, Indian Medical Association
7. Sri. Pramoj Sankar P.S., Additional Transport Commissioner

The committee shall submit the report within one month.

(By order of the Governor)
