Sir,

Sub: Motor Vehicles Dept. -Levy of one-time tax for tractors fitted with compressors-instruction-reg:-

Ref: This office letter no. B1/21650/TC/2012 dated 01.08.2013

Representations are being received in this office alleging that vehicles registered as tractors are later fitted with compressors unauthorizedly and are being used for construction purposes. Revenue loss due to such unauthorized alterations need to be curbed. Tractors attached with compressors are to be treated as construction equipment vehicles. As such all officers are here by instructed to ensure that such vehicles including those registered in other States are registered as construction equipment vehicles, proper endorsement is made in the Registration Certificate and collect lifetime tax.

Yours faithfully,

Senior Deputy Transport Commissioner (Tax)
For Transport Commissioner.
