All Joint Regional Transport Officers

Sir,

Sub: Motor Vehicles Department-Accreditation of Bus Body Builders Order,
2007-Instruction issuing of-Reg

Ref: This office endorsement letter of even number dated 27-03-2013

Attention is invited to the above reference. Vide reference cited Accreditation of Bus Body Builders Order has been forwarded to you for strict implementation which came into force from 01-04-2013. As per the said rule the Bus Body Builder needs accreditation from a testing agency authorized under Rule 126 of the Central Motor Vehicles Rules, 1989. But it has come to notice that many vehicles whose bodies have been built without knowing the need of accreditation of the testing agencies are not able to register the vehicles. Besides bodies of many vehicles are under construction in Body Building Units which have not got accreditation so far. Considering the above facts it has been decided to implement the above said order strictly from the date of 30-06-2013. This is for your information and further necessary action.

Yours faithfully
