**Explanatory Note**

(This does not form part of the notification but is intended to indicate the general purport.)

The intention of the Government while issuing the notification in G.O. (P) No. 29/89/PW&T dated the 7th April 1989 was to provide relief to the blind, the deaf and the dumb in addition to the orthopaedically handicapped. The percentage of disability mentioned in the notification was also a mistake in the case of the blind, the deaf and the dumb. The definition of the terms of the blind, the deaf and dumb and the orthopaedically handicapped have also to be clarified. Hence this notification.
