The procedure for issue of certificate of fitness are described in circular No. 12/1998 para 1st wherein it was clearly stated that both the inspecting officers should sign all the documents. Instances have come to notice that in the matter of issuing CF the Assistant Motor Vehicle Inspectors are seen following the practice of verify and issue CF after the introduction of system oriented service. This is gross violation of the instructions contained in the above circular. As per the circular referred 1st&2nd above instructions were given to all officers of the department the procedure to be followed while issuing certificate of fitness to vehicles. It has come to understand that this instruction is not being complied with by inspecting officers.

It has come to notice that at present the junior officer of the CF inspection team is seen issuing CF which eventually leads to unauthorized verification and issue of CF. The existing practice of issuing CF by AMVI is not proper. In the above circumstances the powers vested with AMVI in connection with issue of CF, it is ordered that AMVIs are authorised to enter data and MVI has to verify and issue the CF.
