Sir,

Sub: - MVs Dept- Life span of Stage Carriages operating as
Limited Stop Ordinary Services -Reg.

Ref: - 1.G.O.(MS) No.45/2015/Tran dated 20.08.2015

2. Decision of Kerala STA meeting held on 18.11.2015 in department
item.

3. This office letter of even number dated 06.01.2016

Attention is invited to the references cited above. Perusant to the direction contained in the GOP No.45/2015/Tran dated 20.08.2015, STA, Kerala in its sitting held on 18.11.2015 unanimously passed a resolution fixing the life span of Ordinary Stage Carriages with Limited Stops as 10 years from the date of the original registration of the vehicle. And necessary guidelines were issued to all RTA's and Secretaries to take steps to implement the same by 01.04.2016.

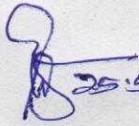

Unfortunately, when enquired it is known that none of the RTA's have implemented the same under the guise of General Election. The decision was communicated to the Secretaries of RTA's during January 2016, none of them took any action to implement the above resolution. They, if genuinely concerned the safety of the common commuters, they would have implemented the same as stipulated.

Hence all secretaries of RTA are once again directed to implement the same by convening special RTA meetings if necessary before 01.06.2016. At any cost it shall be implemented by First June 2016. Any slackness in this regard will attract disciplinary action against the concerned.

Secretaries of RTA should submit calendar of action taken on this matter along with the decision of their RTA's on or before 01.06.2016.

Yours faithfully,
Sd/-
Transport Commissioner
