 5. Discussions held on 25-03-2015 in the conference of Deputy Transport Commissioners, Regional Transport Officers and Joint Regional Transport Officers.

By the reference 1,2 & 3, circular directions were issued regarding the standards to be maintained by the Motor Driving Schools in Kerala.

The space required for lecture hall, demonstration hall and parking space were mentioned in circular 27/2013.

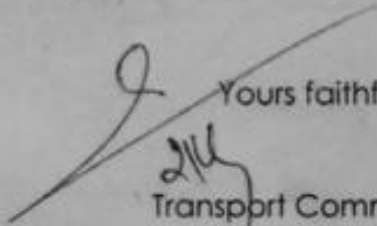

Against the above directions, Driving School Owners Samithi, Thrissur and others filed WP(C) 8518 of 2014 before the Hon'ble High Court of Kerala and Hon'ble High Court by reference 4th cited above directed Transport Commissioner to look into whether the provision of parking space could be made proximate to the driving schools and not adjacent to it, which the Transport Commissioner would consider after hearing the stake holders.

This judgment and representations from driving schools associations were discussed in the conference of officers of the department, held on 25-03-2015 and it is decided to allow a maximum of 10% reduction in length and breadth of the

lecture hall and demonstration hall and in the case of parking space for driving school vehicles the parking space for Light Motor Vehicles shall be within 100 meters from the driving schools and for heavy vehicles it shall be within 500 meters from the driving schools.

The above matters shall be taken into consideration when an application for a new driving school or application for renewal of an existing driving school entertained.

These directions will come into force with immediate effect.

 Yours faithfully,

Transport Commissioner
