Ref:- 1. Letter No.A1/e-126/2019/RT dated 26.03.2019 of RTO,Thrissur

As per reference Ist cited, the Regional Transport Officer,Thrissur requested to make necessary arrangements to provide officers from Safe Kerala Project to reduce the difficulties faced by him due to shortage of field staff at his office. Since it is Election time ,the shortage badly affects arrangement of vehicles for the General Election.It is seen that the same difficulty is being experienced by other RTOs also. Hence all Enforcement RTOs are hereby directed to discuss the actual requirement of staff with the concerned RTOS in the Districts for mobilizing vehicles for the upcoming General Election and provide the staff needed for the purpose.The Zonal DTCs are directed to personally coordinate this work with their RTOs and ensure that no shortage of vehicle is experienced by any District Collector in their jurisdiction.

Your's Faithfully
