Explanatory Note

(This does not form part of the Notification, but is intended to indicate its general purport.)

As per rule 10 of the Kerala Motor Vehicles Taxation Rules, 1975, an application for non-use intimation shall be reached before the Regional Transport Officer within seven days from the date of commencement of the period of tax exemption claimed. But, this provision is found mis-used by certain vehicle owners by using the vehicle for the first 7 days of the quarter and the G form was filed on the seventh or eighth day claiming tax exemption from the beginning of this quarter. In order to curb the mis-use of G form, it is decided to make amendment in rule 10 of the said Rules that the application for tax exemption shall be filed within 30

days before the commencement of the quarter and certain fee is introduced for filing G form and also decided to revise the existing "FORM G".

As per section 3A of the Kerala Motor Vehicles Taxation Act, 1976, Government have introduced 'Green Tax' for old motor vehicles, for the implementation of various measures to control air pollution. The payment of tax levied and form of Green Tax Licence are to be prescribed.

The fee for the grant of duplicate tax licence is now just ₹5/-.The Government have decided to revise the fees as ₹100/-.

This notification is intended to achieve the above objects.
