Sir,

Sub : - Motor Vehicles Department - Fraudulently effecting Transfer of Ownership
and noting HP Agreement by producing bogus RCs -Instruction issuing of
- Reg.

Ref : - Letter No. A/1219/2007/IT dated 18.10.2007 of the Jt.RTo,Thodupuzha

The Joint Regional Transport Officer, Thodupuzha, vide reference cited, reported that Transfer of Ownership got effected and Hire Purchase Agreement got noted fraudulently by producing bogus Registration Certificates.

From the above, it is evident that well planned forgeries are going on through out the state by manipulating Registration certificates. It is suspected that the culprits might have fabricated other Registration Certificates using the same Chassis Number and Engine Number or other and obtained services from other offices of the state. Hence all Deputy Transport Commissioners, Regional Transport Officers, and Joint Regional Transport Officers are directed to furnish details of any such cases reported under their jurisdiction urgently and also to keep a constant vigil against any activities of the above nature and initiate immediate action against the culprits by taking legal action against them.

Yours faithfully,
