Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

As per the existing provisions in the Kerala Motor Vehicles Rules, 1989 payment of fees for exhibiting advertisement is prescribed as Rs.10 per 100 centimeter square for a period of one year. Since rolling screen used for advertisement provides more advertisement than its actual area, Government have decided to include a provision in the said rules to provide that the fee for exhibiting advertisement in a rolling screen shall be paid for the area of all the advertisements exhibiting in the rolls.

The notification is intended to achieve the above object.
