The Transport Commissioner, Thiruvanathapuram.

Tο

All Deputy Transport Commissioners / Regional Transport Officers/
Joint Regional Transport Officerts/ Motor Vehicles Inspectors (Flying Squad)

Sir,

Sub: Motor Vehicles Department- Functioning of Interceptor- responsibility -

reg:

Ref: MIT-/1583/TC/2004(19.1)dated 23.09.2008

Motor Vehicle Department has purchased three Interceptor Vehicles for the effective Enforcement of Motor Vehicle Act and Rules and also to promote the Road Safety Activities of the Department. The responsibility for operation, maintenance, and over all control of these vehicles are assigned to the Deputy Transport Commissioners concerned. The supervision of the operations of equipments installed on the vehicle at the time of checking shall be vested on Motor Vehicles Inspector, Flying Squad. Checking will be done by the Flying Squad Teams of the DTC Concerned.

The following instructions are issued for the effective and smooth functions of the Interceptor Vehicles.

- 1. The Vehicle and the costly equipments in it shall be used carefully and maintained properly and if any defects are noticed in its operation, it will be intimated to the Transport Commissioner (In the name cover of Assistant Transport Commissioner) forthwith for facilitating immediate rectification of the defects.
- 2. The vehicle shall be used for checking in each of the Districts in the zone regularly under the supervision of Regional Transport Officer concerned. A team of officers selected from offices under the jurisdiction of the concerned Regional Transport Officer/ Joint Regional Transport Officer shall be deputed for checking along with the officers Flying Squad for checking within respective jurisdiction. Deputy Transport Commissioners shall ensure that the checking period is equitably distributed among all the districts in their jurisdiction.
- 3. A log book and a Check Report Register in the prescribed Performa (Annexure No: (1) shall be maintained in the vehicle by the Assistant Motor Vehicles Inspector, Flying Squad attached to the Deputy Transport Commissioner's office. Checking details of all officers shall be entered in the Check Report Register. Consolidated figures (Annexure-II) shall be entered in the Check Report Register at the closing of each day.

- 4. Details of checking conducted every week shall be sent to the Transport Commissioner in the name cover of Assistant Transport Commissioner by fax on every Monday without fail followed by a Tapal Copy. The responsibility to send the details of checking shall be lies on the Motor Vehicles Inspector, Flying squad attached to the Deputy Transport Commissioner's Offfice.
- 5. Kindly note that the Deputy Transport Commissioners have to personally ensure that these vehicles and costly equipment there in are utilized properly. They should check the functioning of the vehicles and equipments and log book periodically and if any damage occurs due to misuse or neglect acts should be initiated against the officer responsible.
- 6. The vehicle, being a specialize should be utilized for checking of over speeding and related offences and should not under any circumstances be diverted for routine duties.
- 7. Training has been arranged for two officers from each Regional Transport Offices at Transport Commissionerate and they should in turn be used to train all Motor Vehicles Inspectors and Assistant Motor Vehicles Inspectors at their respective Regional Transport Offices and Sub Regional Transport Officers so that all officers are familiarized with the vehicle within 31-10-2008. This training may be organized by the Deputy Transport Commissioners at their head quarters for which all Regional Transport Offices/ Joint Regional Transport Officers also should be called so that they also understand the capabilities and potential of the vehicle.
- 8. Deputy Transport Commissioner shall ensure that the driver of the Flying squad is detailed for driving these vehicles in writing.

Yours faithfully s/d
For Transport Commissioner
