Sir

Sub : permanent registration submission application of the dealers through MVD website explanation seeking of reg/-

Ref :submission from the Vahan team dtd 16/03/2019

Kind attention is invited to the subject cited.As part of implementation of Vahan 4 we have stopped the permanent registration application submission to the Regional Transport Office, Trivandrum through the MVD website and intimation was given to the dealers through dealer login page regarding this matter . But on further verification it has come to notice that some of the the dealers had by passed the blocking and disobeyed the instruction given through the dealer login page ,by manipulating the digital system.

Hence the Regional Transport Officers are directed to verify the enclosed list and obtain explanations from the concerned dealers under their jurisdiction and forward to this office urgently.

The list of such cases along with dealer name is attached.
