Departmental Item No.3

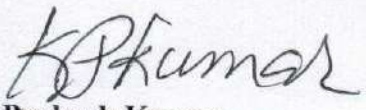

Agenda:- Control of traffic.-imposing conditions to electric vehicles-reg.

Decision:-	<p>Decided to implement the following conditions in respect of Electric vehicles w.e.f 01.01.2023.</p> <p>1. Regular auto rickshaws are controlled by permits granted by respective Regional Transport Authorities, have specified parking places and are allowed to ply at a maximum of 20km to nearby districts vide STA decision. As such, regular autorickshaws, though granted with contract carriage permit, are not permitted to travel throughout the state while electric autorickshaws are not bound with the above conditions. So the authority has decided to impose the conditions as specified below for the electric autorickshaws.</p> <p>a. Decided to operate only in the districts where they are registered and to travel within a</p>

maximum distance of 20 km in neighboring districts.

b. Electric autorickshaws are not given a specific colour as per the KMV rules. It is decided that the colour of the hood of all electric autorickshaws shall be painted in cream yellow and the rest of the body in blue colour.

c. Electric autorickshaws are allotted 3000 permits each in Thiruvananthapuram, Kochi, Kozhikkode cities vide G.O(P) 41/2018/Trans. Although permits are not applicable for electric auto-rickshaws, city numbers can be allotted as per the above order. Therefore, in other corporations and towns where permits are restricted for normal autorickshaws, RTAs are instructed to allocate bonnet numbers to a certain number of electric autorickshaws.

2. Tax exemptions is currently provided to contract carriages entering the state with a special permit under Section 88(8) of the Motor Vehicles Act, from states

that have bilateral agreements with Kerala, particularly from Tamil Nadu. Since permit/special permit is not applicable for electric contract carriages, tax as per Motor Vehicle Taxation Act can be collected when such vehicles enter Kerala.

3. Stage carriages operating in the state are granted permits and timings to run services on specific routes and at specific times as per the permit conditions. But permit is not applicable for electric Stage Carriages. Therefore, the service of such vehicles is allowed only on non notified routes allotted by the concerned Regional Transport Authority and time schedule also to be fixed by the RTA through timing conference. While providing routes to electric vehicles, the existing restrictions in notified routes may be made applicable to electric vehicles also.
