As per the existing Government Orders, travel concession is allowed to Students traveling in a stage carriage for a distance not exceeding 40 KM for a single journey for the purpose of attending classes, from residence to their institution. There is no restriction on using the travel concession on holidays. But several complaints have been received by this Department and Government stating that both KSRTC and Private bus operators are not allowing travel concession on Holidays including Independence Days and Republic Days. In this circumstances, you are requested to inform all private stage carriages and authorities of KSRTC that students can avail travel concession facility on holidays too.

Yours faithfully,
