

GOVERNMENT OF KERALA

Abstract

Trans - Revision of fee for pollution under control certificates issued by authorised testing centres and re-fixing qualification of technicians of such centres - Orders issued

TRANSPORT(B) DEPARTMENT

G.O.(Rt)No.519/2019/TRANS Dated, Thiruvananthapuram, 14/11/2019

- Read 1 GO(Ms) 48/2014/Trans dated 23/06/2014
2 Representation submitted by Association of Authorised Pollution Testing Stations
3 Letter No.MIT-3/23155/TC/2014 dated 05/09/2019 from the Transport Commissioner.

ORDER

As per the GO read above, Government have revised the rates of the pollution under control certificates issued by authorised testing stations for different classes of vehicles.

The Association of Authorised Pollution Testing Stations has submitted a representation before the Government to enhance the rates of pollution under control certificates as the prevailing rates were revised before 5 years and for re-fixing the qualifications of technicians of such centres.

In this context, Government have appointed a technical committee to study the requests of the association. As per the letter read as third paper above, the technical committee submitted its report before Government.

Government have examined the report and are pleased to accept the recommendations of the committee to enhance the rates as noted below :-

	Existing	New
Two Wheeler	60	80
Three Wheeler	60	Petrol - 80 Diesel - 90
Light Motor Vehicles	75	Petrol - 100 Diesel - 110
Heavy Motor Vehicles	100	150

The educational qualification for the technicians operating the emission testing equipments is refixed as follows;

SSLC or equivalent
and

Two week training course certificate from IDTR, Edappal
