Grievance Description :

Transport
Commissionary

Respected Sir, I am a student of class 11 and I want to inform you a problem that is happening in our society and a simple solution for that. Basically, most people who travel by bus in Kerala have their snacks and throw those rappers outside or litter it around the bus. Also they do the same with bus tickets. Its not all that pleasant to see even paper littered. So, its a fair idea to establish at least a waste bins ,so that people could throw these waste products including tickets before leaving the bus.
Yours faithfully, Able Jaison
