Departmental Item No. 1

Agenda: Imposition of further condition to Private Service Vehicle
Permit for Education Institution Bus

Ref: U.O. Note c1/9200/TC/2000 dated 16.04.2004.

Decision:

The State Transport Authority held on 23.12.03 had decided to impose certain conditions to permits issued to Educational Institution Bus. It is now brought to the notice that vehicles owned by private parties are registered in the name of educational institutions and operate for different school/Educational Institutions.

It is also found that small children are being carried as standing passengers in Educational Institution Buses which is not permitted by law and which may lead to grievous injuries in the event of falling while braking or an accident. Therefore the STA hereby direct all the RTAs. To impose the following conditions also to the permit issued to the Educational Institution Buses.

- (1) Educational Institution buses shall not be used to carry the students of any college/schools other than the institution which is issued with the permit.
- (2) No standing passengers shall be allowed to travel in Educational Institution Buses.
