Head Office

Thiruvananthapuram
Date : 29.04.2004.

From

Transport Commissioner
Thiruvananthapuram

To

All Regional Transport Officers &
All Joint Regional Transport Officers

Sir,

Sub:- MVs. - Particulars of vehicle entered
in R/C - reg.

Ref:- Note from Sr. DTC and Secretary, STA
dated 21.04.2004.

...

It is noticed that particulars of vehicles are not being entered in the R/C book properly. Since the vehicle manufacturers are producing different models for different purposes and the fact that vehicle manufactured for a particular purpose cannot be altered for some other purpose and also that different models have different specification, it is necessary to enter the details correctly in the R/C so as to recognise each model. Therefore all the registering authorities and Additional registering authorities are directed to enter the makers classification correctly and fully as entered in the type approval certificate and to note the reference number of the type approval certificate in the R/C.

Yours faithfully,

Sd/-

Transport Commissioner.
