No. C1-17602/TC/90

Office of the Transport Commissioner,
Thiruvananthapuram, Dated 18-12-1990.

CIRCULAR NO. 20/90

Sub:- M.Vs. - Registration of Motor Vehicles - Assignment
of year of manufacture - Instructions issued.

R.F:- D.O.No. R1-2078/90/W dated 8-11-90 of R.T.O.,
Thiruvananthapuram to Mr. Dy. Transport Commissioner &
Secretary, S.P.A.

Cut off engine and Chassis numbers furnished by the
manufacturers of vehicles are being communicated to all
Registering Authorities, to assign the year of manufacture to
vehicles. Several inconveniences, such as delayed and in-
complete furnishing of information by the manufacturers,
lack of uniformity in the periodicity of furnishing cut off
numbers etc., are experienced by the Department. Requests
for correction of year of manufacture after the vehicles are
registered are also not uncommon.

To reduce these difficulties and to prescribe a uniform
and simple procedure; all the Registering Authorities are
directed to make use of Excise duty gate passes to assign
year of manufacture to vehicles in cases where the cut off num-
bers are not communicated from this office. The year recorded
in the Excise duty gate passes should be treated as the
year of manufacture to be recorded in the Certificate of
Registration.

Originals or attested photo copies of the passes should
only be considered for registration purposes.

Please acknowledge receipt.
