It has come to the notice of the Ministry of the Surface, Transport that a large number of stage carriages are plying in the same route without following the proper time schedule which results into undesirable competition among the Stage Carriage Operators. To avoid such a situation you are requested to follow the Section 70 and 71 of the Motor Vehicles Act, 1988 strictly for the compliance of the fixed time table by the private operators while plying on the formulated routes. Further while formulating such routes for plying of stage carriages under Section 68(3) of M.V.Act, 1988, the number of such permits required on a route is taken into consideration for granting permits. Copy of the letter of the Government of India in the matter is also enclosed herewith for information.
