From

To

All Regional Transport Officers &
Joint Regional Transport Officers.

Sir,

Sub:- Transport Vehicles - Certificate of Fitness -
Inspection of vehicles - Procedure amended.

Ref:- Circular No.12/98.

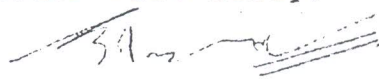

The progress of implementation of instructions contained in the Circular No.12/98 dated 27.5.1998 was reviewed recently. It is noticed that the number of vehicles which are more than 15 years old produced for inspection is more than what was expected. Therefore, in order to regulate the work load of the team consisting of RTO and Joint RTO, it is now decided that only those vehicles which are more than 20 years old will be inspected by this team. Vehicles which are not older than 20 years will be inspected by the team consisting of Motor Vehicle Inspector and Assistant Motor Vehicle Inspector.

In order to effect this change in procedure, the following amendment to Circular No.12/98 is ordered;

- (a) the words "not older than 15 years" will be amended as "not older than 20 years".
- (b) the words "more than 15 years old" will be amended as "more than 20 years old".

The revised procedure will be brought into effect from the week commencing Monday 24.8.1998. You are requested to give publicity in local newspapers and by other means before that date. Please acknowledge receipt of this letter and ensure that all copies of the Circular are amended suitably noting this reference.

Yours faithfully,

K.J. JOSEPH, IPS.

Additional Director General of Police,
Transport Commissioner.
