To

All Regional Transport Officers.

Sir,

Sub:- Control of automobile Pollution - Mounting of equipments in Tata Sumo Vehicular Pollution Check forwarding the details of check - monthly report called for -

You are aware that the Smoke Meters and Gas Analysers have been procured and provided to you for testing vehicular emissions. The TATA Sumo vehicles allotted to your office are to be exclusively used for the purpose of mounting and mobility of these sophisticated equipments to conduct frequent road checks. In order to amount these equipments in the TATA Sumo, the seats provided at the rear should be removed and a convenient platform has to be fixed in for the placement of the equipments thereby ensuring that the equipments are totally free from vibration and rattling. The 2 seats which are to be removed from the TATA Sumo should be entered in the Stock Register of office Equipments/Furniture and kept safe.

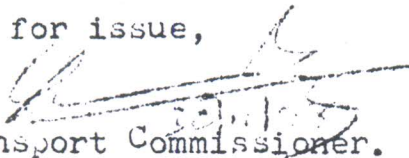

In this context, you are also directed that a periodical report of the check, in the prescribed proforma issued earlier, should be forwarded to this office on or before the 10th of every month. This report should be included as one of the periodicals of your office and close monitoring of the same till the despatch stage is to be ensured. The receipt of the letter should be acknowledged by return and compliance of this directive may be informed to this office not later than 15-12-98.

Yours faithfully,
